| Peer Group          | Australia Pension Multisector Balanced            |
| Forecast Total Cost | 0.86%^                                            |
| Buy / Sell Cost     | 0.12%                                             |

Past performance is not a reliable indicator of future performance. Performance is calculated before taxes and is net of admin fees, investment fees and indirect costs. Performance is notional in nature and the actual performance of individual portfolios may differ to the performance of the Managed Portfolios. Totals presented in this report may not sum due to rounding.

\* This is a relaunch of an existing strategy that was launched in September 2022 with this performance history available upon request.
